Vendors may NOT under any circumstance supplement with commercial wholesale or imported produce or items. These items must be clearly labeled with origin, granted permission in advance by market director and advisory board, and must **not compete** with items

grown locally by other vendors. Vendors must obtain permission from the SCM advisory board and market manager if they wish to supplement well in advance to avoid any misunderstanding.

The City of Starkville and its entities will be granted vendor opportunities for informational purposes with advanced notice to the market manager and advisory board. Non-profit fundraising sales may be permitted by the market director with the approval of the market board at his/her discretion.
